- LISTING INCLUSIVE AT TIME OF PRINT -
Your home represents your greatest investment in your emotions, your time and your money. I would say, most of your greatest memories come from inside that house…family gatherings at Thanksgiving Dinner, Christmas Morning or perhaps a simple cup of coffee at your kitchen counter.

This fall, you will get to step inside other families’ homes to see some of the finest homes within idyllic Lake Mohawk. On Sunday, September 13th, we will hold our 12th Annual House Tour coordinated through the House Committee. Five homes will be featured- this year all Lakefront! Each of these homes has their individual style and décor, but all have a high standard of beauty and maintenance.

As the weather cools down, it would be a good time to walk your own property to see that everything is in good shape. Trim those hedges, perhaps buy a new garbage can- even clean your windows. All of those little things can make a big difference in the curb appeal of your home. And together, all of these little things contribute to the look of the entire community. Protecting not only individual home property values but the overall image and sustainability of all common areas throughout the reservation is an initiative that my office will continue to make a priority.

The Club is responsible for the common area maintenance that defines the reservation. Our facilities and road department staff have been and will continue to concentrate on areas that have been neglected for years due to deferred maintenance. Any particular issues with aesthetic concerns should be sent to the office to the attention of the Aesthetics Committee. We owe it to each other to properly care for our property. If you have a neighbor who might need some help, check out NEIGHBORS HELPING NEIGHBORS in this issue of THE PAPOOSE. This offers some extra help for those in need, and also gives others the opportunity to help!

Meetings continue for the Strategic Plan and the establishment of the Capital Reserve Fund. Join us for one or two meetings at the Clubhouse! The focus of these efforts is to enhance and protect your home values. We want to share these plans and hear your collective thoughts to ensure that these two priorities are not only met but exceeded. Challenging times lie ahead but it is time to unite and continue to make positive changes.

In closing – the House Tour is an effort of countless volunteer hours from members who dedicate their time on this event. The proceeds contributed during this House Tour go directly back into the Lake Mohawk community. Come support their efforts and take in the beauty of the architectural design and lake-style homes featured on the 13th. You will realize why you call Lake Mohawk…..home.

The summer is coming to an end – please take the time to enjoy the gorgeous sunsets at the Boardwalk Club Restaurant or take in a friend-filled evening at the Tiki Bar. See you on the boardwalk!

Regards,

Mark F. Musilli
GENERAL MANAGER

P.S.: Who would have thought that in September we would still be enthusiastically watching the NY Mets! Simply “Amazing!”

NOTICE TO ALL CLUB MEMBERS
THE LAKE MOHAWK COUNTRY CLUB ANNUAL MEETING
will be held on
SATURDAY, NOVEMBER 7, 2015 AT 9:30
IN THE BALLROOM

TRUSTEE NOMINATIONS

The Nominating Committee is currently in the process of interviewing Clubmembers who would like to be considered as candidates to run for a position on the Board of Trustees at the Annual Meeting in November. To be a Trustee you must be a member in good standing and have been a Clubmember for not less than two years. Clubmembers who wish to recommend a candidate or wish to be considered as a candidate should submit the name, address, and telephone number of the candidate to the Nominating Committee. This can be done by contacting the Clubhouse in writing or in person.

Submit your recommendations or your intention to be considered a candidate to:
Lake Mohawk Country Club
21 The Boardwalk
Sparta, NJ 07871
Attention: Nominating Committee

NOTICE TO ALL CLUB MEMBERS
SIGNS

Garage, For Sale, Election, Arrows, and Notices

All of the above frequent our beautiful landscape and according to our polices are not allowed. Please do not put signs on our roads, trees, or poles.

We need the help of all our membership to cease with the signs. Most importantly, those who insist on hanging signs could, at the very least, take them down immediately after their usefulness is over.

Boat Storage

A reminder to all boat owners: it is that time of year when we will be thinking of removing and storing our boats. All boats and trailers should be stored to the side or rear only. No boat or trailer shall be parked or stored in the front yard.

Leaf Raking

Clubmembers are urged not to rake their leaves onto the road when they are sprucing up their properties this fall. This will cause blockage of the drains when we experience our spring rains. Your cooperation is greatly appreciated.

OFFERINGS

HAMBURGER – $7
8 ounce Black Angus burger on a challah roll with lettuce & tomato served with a deli pickle spear

BLACK BEAN BURGER – $7

STRATEGIC PLAN FOR ROADS
ROADS ARE A CRITICAL PART OF THE STRATEGIC PLAN FOR LMCC

All roads lead somewhere… and at LMCC those roads can take you 28 long miles around the Reservation.

You can travel through the White Deer Plaza, up to the Golf Club and so far as the Pool, sometimes it is a smooth ride…sometimes not so much. But it is a critical part of the Strategic Plan to ensure that all our roads are safe and well maintained.

The Road Program is based on an objective physical rating of all 28 miles of roads each year. Roads are analyzed by the professional team at CP Engineers as it relates to safety, driveability, drainage, level of traffic use and the cost/benefit of time versus rehabilitation. Roads are then prioritized to achieve a level of acceptable service. Industry standards recommend a 17-20 year cycle for the complete rehabilitation.

Additional analysis of our road has been conducted by Kolody Engineers and Survey Group, as well as the Falcon Group in our Capital Reserve Study.

Annual expenses for our road repair run between $344K and $365K, based on wear and repair. Our strategic plan for the roads is based on extending the actual life cycle of the roads and reducing overall costs. Our initial plan is to save at least $25K per year as we enhance our efforts via milling and paving and reclamation.

Milling and paving refers to limited excavation and base repair. Reclamation is used when the majority of the road base has been compromised and a new base is needed. Road sealant is sometimes added to the base and of course crack and joint repairs are done when needed.

Sussex County is responsible for the maintenance of and upkeep of Park Road, Balsam Parkway, half of Birch Parkway (half is owned by Byram Township), Maple Parkway, Columbus Road, and the top of Hilltop Road as it intersects with Stanhope road.

MEMBERSHIP

The Board of Trustee meeting – scheduled for Monday, September 21st will be highlighting the By-Law changes that will be introduced at the Annual Meeting. Please plan to attend to familiarize yourselves with the proposed changes and initiatives of the Capital Reserve Fund and Strategic Plan.
NEIGHBORS HELPING NEIGHBORS

PASS IT ALONG OFFER THANKS AND HELP WITH FALL CLEAN-UP FOR SENIORS

Pass It Along would like to thank all the residents of Lake Mohawk for their cooperation and participation in helping to make this year’s Pass It Along LMCC Triathlon a huge success.

We had over 300 triathletes participate in this year’s event and an amazing experience was had by all. We truly appreciate the support and patience of all Lake Mohawk residents. Your kindness and generosity of spirit help to make this a flagship event of the highest caliber.

The money raised enables Pass It Along to run our life changing programs and helps us to meet the needs of the community in so many ways.

Our heartfelt thanks go out to all of you and to the amazing staff at LMCC who worked tirelessly the day of the event to ensure everything ran smoothly.

As a way to express our appreciation and to give back to the Lake Mohawk Community we would again like to offer homebound seniors living in the lake our help with Fall Clean-up projects on Saturday, October 24, 2015. If you are a homebound senior in need of assistance please call Kathy at 973-726-9777 to register for this program.

Happ's Kitchen & Bath

Proud Sponsor of the Lake Mohawk Country Club 2015 House Tour

Happskitchen.com
973-729-4787
For the twelfth year, the House Committee of Lake Mohawk will sponsor a tour of homes in the Reservation and will feature five absolutely charming lakefront houses, both old and new, built in the Lake Style. The tour will be held on Sunday, September 13 from 10:00 until 4:00. An optional special luncheon will be served on the Boardwalk from 11:30 until 2:00. Tickets for the tour will be $25 and may be combined with the luncheon for $35. The luncheon only will be $15. Reservations for the luncheon must be made when you are buying your tickets by calling the Club Office at 973-729-6156. Tickets may be purchased at the Club Office and at Photographs Cameras & Video (43 Theatre Center) during normal business hours, beginning Friday, August 28.

As a bonus, the newly renovated Club House will be open for visitors to tour the facility. The new Members Room will be completed by this event and will be a special gathering place for our residents. Please note that the previous tours have been a complete sell-out and all tickets will be sold on a first-come basis. If there should be any tickets not pre-sold, they will be available on the Boardwalk the morning of the tour from 10-12. No children under 12 are allowed and everyone must have a ticket. We ask that there be no photography at the event, please. The tour will be held rain or shine with all proceeds used to purchase needed items for the Club. The House Committee has donated over $17,000 to the Members Room and plans to soon donate to the Fran Smith Memorial.

The purpose of the tour by the House Committee is not only to showcase some of the most charming houses on the Lake but also to promote the use of lake-style or “fanciful” architecture. It is in the best interest of each Club member to maintain the unique character of our Reservation, so that we may preserve one of the most distinctive residential areas in the state.

Originally built by the Crane Company in the early 1930’s, this lovely family home has undergone multiple additions with meticulous attention to detail that seamlessly blends the old with the new. The design features such Crane fine points as wavy board, vertical and angled siding, and stone and brick pillars. The blue paint replicates the original color of the LM Marina, the walkway design leading to the custom screen
This modern eclectic house was originally built in 1935 by the Crane Company and rebuilt in 2009 to be open and lofty as a tree house, filled with nooks and crannies. The main living area is two stories high with floor-to-ceiling windows overlooking the Lake. The original fireplace rises up and through the second floor balcony and the beamed ceiling is filled with rustic iron pendants and skylights.

The first floor has two bedrooms, a bathroom with a stone shower floor and a gorgeous, massive chef’s kitchen custom designed by award winning architect Mahdad Saniee with windows on every side.

On the second floor is a beautiful bedroom with a high-sloped ceiling and a full bathroom. A second living room is open to the main living room and features a loft that is 12 feet above the floor with amazing views.

The master suite is located on the entire right side of the second story. Another nook leads you down a hall to the beautifully tiled master bath with his and her sinks, stand alone tub, and a spa shower with wonderful views.

of the Lake. The master bedroom has a unique vaulted plank ceiling, many windows, and an amazing view outside on a deck.

There is a finished basement that leads outside to a lovely yard that contains a patio the length of the property, a covered patio and a deck partially canopied by a lush tree for shade.

This magnificent home is designed to resemble a gracious French Country house. The welcoming front door is 4-inches thick and was aged in the Arizona desert sand for 7 years. The entry foyer floors are antique French flagstones and overhead is a beautiful alabaster chandelier. The office to the left was designed to resemble an office in the 1940’s and has a gorgeous custom desk with hand-painted chinoiserie.

The floors of the marvelous great room are reclaimed antique heart pine found throughout the home. It features a tall vaulted ceiling of antique reclaimed wood, a stone fireplace, antique beams and 3 stone arches that lead to the light-filled kitchen. Above the granite-topped center island is a copper canoe created by artist Kenneth Lynch in 1940 and converted to a light fixture. A breakfast room in the shape of a turret is lit by 14 sconces and a two-tiered chandelier and contains a beautiful table with a custom walnut top.

On the second floor are 4 lovely bedroom suites, including the charming Adirondack guest suite with its rustic birch bark vanity in the bathroom. The lovely master bedroom is a wonderful retreat and features a gas fireplace, antique chestnut floors and a gold-leaf branch chandelier. Carrera marble adorns the walls of the master bath with its trim fauxed in a driftwood finish.

The lower level contains an enviable wine cellar. There is also a guest bath with faux stone wainscoting, a gym, and a game room shaped as a turret. The cozy “bunkroom” is a delightful place for guests.

Outside, the gorgeous veranda features priceless views of the Lake. Note the charming wood sculpture of 3 bears representing the owners’ sons and 2 dragonflies representing the owners. The colorful and verdant landscaping and an inviting pool complete the look of this warm and welcoming home that is also a work of art.

Continued on page 18
The “Kelly Cottage” is a charming, original Crane home built in the 30’s that was once a one bedroom chestnut log summer residence.

As you enter the large foyer, you are welcomed by slate floors and an open layout to the kitchen. The kitchen features exquisite movement-filled granite countertops and an artful crackle glass backsplash. A wall of windows along the back of the home provides a panoramic view of the Lake, almost giving the feeling of being on a houseboat and seeing nothing but water and mountains. The main bathroom boasts a stunning hammered-copper soaking tub, beautiful wall tile, limestone flooring and a lovely chandelier. There are charming old-fashioned lake signs throughout the home, along with the owner’s collection of moose memorabilia.

There are two delightful girly bedrooms, each unique, one pink and one blue. The master bedroom has a lovely 17th century Duncan Phyfe bedroom set and an exquisite sunset view.

Exquisite Sunset View

The downstairs great room is furnished with Turkish cobblestones and includes an all-stone lake inspired bathroom. The warm wood ceiling is fashioned from fragrant cedar. A wonderful outdoor shower completes the look of the Lake.

This family home is a true mixture of lake style meeting modern world and living, making smart sense of every square foot of space.
This 1927 original Crane house is situated on two beautifully landscaped lake lots. With meticulous attention to detail to preserve the look, the antique Tudor-style home has undergone extensive renovation involving the enclosure of the upper patio and the lower-level covered porch. The entire setting has been naturally integrated into the lakeside surroundings with hand-crafted stone patios and lush landscaping.

Entering this gracious home, the charming “upper lake level” features original red oak floors, a stone fireplace, extensive log work and gorgeous beamed ceilings. The wall of windows overlooking the Lake provides generous natural light and beautiful views. An elegant chandelier hangs from the crossed beams of the living room. The kitchen had been customized with off-white cabinetry and striking marble countertops. The interior of a custom standing cabinet is painted in “Tiffany blue” and adds a pop of color and warmth to the kitchen.

The delightful master bedroom suite is filled with light and boasts high ceilings and a gorgeous bathroom. The “lower lake level” has an additional great room with giant stone pillars and opens out to the pleasant stone patio overlooking the Lake.

With many upgrades and modern amenities, this warm and welcoming home is a seamless bridge between old and new. Visitors can step back to the original Crane home without ever leaving 2015.
LAKE MOHAWK COUNTRY CLUB APPLICATION FOR ABSENTEE BALLOT

Please print in ink or type all information required.

I hereby apply for an Absentee Ballot for the meeting below: CHECK ONE ONLY

Annual .................. □ Special .................. □

To be held on: Date: ____________________________

# & Street, Town & Zip Code:  
LMCC Membership Card #:  

Please mail my ballot to the following address*: □ if only one is provided above, check if same.

Please indicate PO Box, RD #, State/Province, Zip Code and, if outside the USA, Country.

Name:  
Address:  

Daytime Phone Number  Email Address

CERTIFICATION: I CERTIFY THAT NEITHER I NOR ANY OTHER MEMBER OF MY HOUSEHOLD OVER THE AGE OF 18 YEARS WILL BE AVAILABLE TO VOTE ON THE SCHEDULED MEETING DATE.

Signature ____________________________ Today’s Date __________

*Please note that you are responsible for notifying the LMCC of address changes.

NOTE: Your completed application for an Absentee Ballot must be received at the Club Office at 21 The Boardwalk, Sparta, NU 07871 by close of business the day before the scheduled meeting. If this application is incomplete, the Club reserves the right to deny your request for an Absentee Ballot.
The purpose of Annual Meetings and when necessary, Special Meetings, is to guarantee LMCC members are knowledgeable of the administration and management of the Club and to ensure their participation in the important decision making processes involving Trustee elections, financial issues, By-Laws amendments and other important determinations. In accordance with the LMCC By-Laws Article VI Privileges, Section 4 VOTING, Regular and Honorary Members, in good standing, are entitled to vote by Absentee Ballot for each dues paying property owned by them.

- To apply for an Absentee Ballot(s), Members must contact the LMCC office via phone (973-729-6156), email (office@lakemohawkcountryclub.com) or in person to request an application (refer to sample of application).
- The completed application must be received by the LMCC Absentee Ballot Coordinator at least 7 business days prior to the scheduled meeting. Applications are to be mailed or delivered to LMCC at: Lake Mohawk Country Club, Attention: Absentee Ballot Coordinator, 21 The Boardwalk, Sparta, New Jersey 07871. Applications may also be received by the LMCC Absentee Ballot Coordinator via email (office@lakemohawkcountryclub.com) or fax (973-729-0331) at least 7 business days prior to the scheduled meeting.
- Each Member will receive an Absentee Ballot for each dues paying property owned by him/her upon approval of the application.
- If the application is incomplete or the Member is not in good standing, the Club reserves the right to deny the applicants’ request for an Absentee Ballot(s) and the Member will be notified of the denial by the LMCC General Manager.
- Completed Absentee Ballots must be received by the LMCC office no later than close of business the day before the Annual or Special Meeting.
- Completed Absentee Ballots must be contained in sealed envelopes with the word “BALLOT” on front lower left corner to ensure they are properly handled upon receipt in the office. The Absentee Ballots will not be removed from the envelopes until they are ready to be counted at the Annual or Special Meeting.
- If an application is requested less than 7 business days before the meeting, the Absentee Ballot Coordinator will inform the member that he/she is responsible for submitting the Absentee Ballots(s) by the deadline, whether by mail, email, fax or in person.
- Any Absentee Ballot received after the submittal deadline will remain unopened and will not be counted at the Annual or Special Meeting.
- Watch for further information regarding electronic voting.

MARINE BEACH 3
Submitted by Martin Slouka

The summer always seems to go by way too quickly. That is why Beach 3 always tries to pack in as much fun as possible. Check out the events posted on the Duk House for our September events.

Help keep our Beach clean by removing all trash and personal items when you leave. Also do not forget to carry your beach tags at all times and remind your children to follow all safety rules.

On a very sad note, Beach 3 has been the victim of theft and vandalism this summer. The stereo system generously donated by the Meyers family was stolen and we have had significant vandalism this summer.

See you at the Beach!

BEACH 4
Submitted by Christina Repka

We would like to wish you all a very happy Labor Day—enjoy the long weekend and soak up some sun!

Has everyone been enjoying this beautiful summer of 2015? We know everyone at Beach 4 has! August was a great month-thanks to all who participated in and organized our ladies’ night, movie night and camp out. What fun we had!

The changing season will not stop us from enjoying the beach, and September will not be left out of the good time. The beach will be hosting a Clam Bake on September 12th. Cost will be $25 per person, paid in advance for all you can eat seafood. Check your email and our Facebook page for details. We will also be hosting an Oktoberfest celebration on October 10th.

As sad as we are to think about it, dock day will be the third weekend in October. All dock slip holders are required to participate, see your email for details.

Remember to check your email or join our Facebook group for info on events and important dates. If anyone is interested in participating in one of our events, has an idea for a summer event they would like to see at the beach, or to be added to our email list, please contact Kathy or Christina at lmbeach4@gmail.com.

See you at the beach!

BEACH 6
Submitted Carol Naylor

July hosted our Annual Bocce Tournament which was great fun and proved to be full of tough competition. In the end, the crown this year went to the team of Steve Chase and Tom Fabrizio. Congrats! Thanks so much to Steve for organizing this event.

Please join us at Beach 6 for our annual Beach Elections, September 6, at 2pm. If you are interested in running for any of the association’s positions: President, VP, Treasurer, Secretary, Social Committee Chairperson, please contact Damien Petrucelli at damienpetrucelli@centurylink.net or 908 216-3045 for more info, or just come down that day.

Also that day will be the Iron Chef Cook-off at 4 pm. Please contact Justin Williams at 973 903-6035 for more information if you would like to be a chef or a spectator/taster. Justin will provide a theme or special ingredient and the participants will come up with a creation using the beach grills. It is good fun watching and tasting!

UPCOMING EVENTS:
See the October Papoose Calendar

APLINE BEACH
Submitted Julie Knapp

The summer has come to an end and the kids are back to school. Thanks to everyone.
for making 2015 a great season at Alpine Beach. Cannot wait to see you again next year!

We ended the season with our annual golf outing on September 4th and our Labor Day BBQ on September 6th.

Just one more event to go before the beach closes for the winter. Stay tuned to our Facebook page and the website, www.alpinepool.org, for details on our Oktoberfest.

As we wrap up this season and begin planning for 2016, we ask members interested in becoming an Alpine Beach Trustee to please contact us at alpinebeachtrustee@gmail.com. It is a great way to get involved in the beach activities and meet your neighbors. We are always looking for volunteers to help keep Alpine Beach the place to be all summer long.

Remember to stay connected to the happenings at Alpine Beach and “like” our Facebook page at Facebook.com/AlpineBeachLakeMohawk

See you soon!

SLEEPY LAGOON
Submitted by Stacy Maldonado

Here we are, the end of summer. Our culminating event is the annual Labor Day Salsa Challenge/Pig Roast is Sunday, September 6th.

An advance thank you to all who volunteered their time and talent to make it a success. Salsa results will be posted in an upcoming issue, along with the same from the recent Golf Tournament. Do not forget to save the date for Oktoberfest on Saturday, October 3rd.
Our beach party finally happened on August 3, the third try was the charm! I believe all who attended had a nice time, the lake was warm, the sky beautiful and the company lively.

Cali Carss, nine years old, was awarded a prize for creating the new logo for the Upper Lake Beach Association.

DJ Mark M. provided music and organized games for the children. We had a burst of rain but those who stayed were treated to a double rainbow, a glowing sunset in orange, red and purple and a blue moon.

Thank you to all who participated, organized and volunteered for the party. Our volunteers make all of this possible. Most of our LMCC Trustees were in attendance. These volunteers have been instrumental, along with Mark, our General Manager, in getting the lake and beach in order this season after having a season off due to construction. Thank you Mark, Rod, Frank and Jack for manning the grill. Our DJ, too, volunteered his time to help get our Midsummer Night’s Dream off and running.

The lake has not yet filled to the top of the spillway, the weed harvesters and aqua rakes are out at inconvenient times, and the swim area is not yet the size it should be. Hopefully, fall rains will finally fill the lake. Next year the fish will have been stocked; our swimming area will be set; our docks will be back in the water; and we should be back to normal.

I hope you will look for our meeting dates posted on Facebook/UpperLakeBeach or in the Papoose and consider participating on the beach committee. We meet a few times in the spring and summer to prepare for our beach opening and to plan summer activities. At this time we are in need of a secretary and a social chairperson, but you do not have to take a leadership position to be involved and to help with the beach. We will most likely meet in the fall as well, so please join us.

FloatFest ’15, held on Saturday August 15 was a huge success! The day featured great music, a pig roast and signature cocktails and beers from the Tiki Bar. Thanks to sponsors Angry Erik Brewing, Pyrat Rum and Texas Barbeque. Boats filled the lake and hundreds enjoyed the beautiful day on the Lake - all to benefit the LMCC Ski Hawks.

Special thanks to ALL Committee Members, especially Greg Case and Jack Parker.
July 4 was a busy day for our Club. In the morning, our juniors participated in the Sparta Independence Day Parade with their “Kids Sail” float. In the early evening, after the sky cleared, we held our annual Independence Day party which ended with a great view of the fireworks over the lake. July 5 was the scheduled day for the Marine Base Regatta. John and Margie Incantalupo were ready to set a course as our officials for the event and sailors were eager to race. But, there was no wind so the event was postponed, and the following Sunday, another cancellation.

Jack Robertson Cruising Day was held on July 19 and a group gathered to reminisce and drink a champagne toast in Jack’s memory. Howard Gooblar rigged his Snipe and cruised on our beautiful lake with new member Brent Cherry. Ian Oldridge captured this great image of them. We welcome Brent, his wife Janel and children to our Club.

On July 20 we were finally able to get back on the race course for the Marine Base Regatta. Hank Jelinek, our race official, and six boats competed in two races. Perry Anderson, in a Lightning, won the regatta followed by John Marx sailing a Snipe and Peter Breiling, racing a Lightning, taking third place.

There were no races on July 26 but the competition resumed on August 2 with the Lightning’s sailing two races and the Snipes racing once. Perry Anderson took two firsts followed by Peter Breiling in the Lightning fleet and in the Snipe fleet, Haley Chute came in first with Howard Gooblar a DNF due to an equipment failure.

For upcoming events look at the Papoose Calendar.

You can visit us on the web at www.lakemohawksailing.org. For more information on learning to sail, call our Treasurer, Perry Anderson at (973) 903-7673, email us at lakemohawksailing@gmail.com, or write us care of PO Box 29, Sparta, NJ.

Even though this happened at the end of July, it was such a big weekend for the team. We wanted to share how we fared against all the competition:

The individual competition was on Saturday, July 25. We had a number of team members compete; these are the individuals who placed:
Swivel 1: Sixteen and under, this is the Ballet on a ski, the girls ski backwards, hold the rope with their toes, etc. There were four skiers in this category.

1st Place: Arianna Roderiguez

Swivel 3: This group can do 360 degrees on their ski. Skiers who place here qualify to compete in Nationals. It is a National’s Qualifying Level There were seven skiers in this category.

3rd Place: Elizabeth Zanetakos

Two other Ski Hawks skied in this category; Lauren O’Connor, Marigrace Yuskaitis

Straps Doubles: Is when the male skier wears a “strap” around his torso and holds the female above his shoulders and she does different moves.

3rd Place: Tony Pugliese and Lindsey Pugliese, a father/daughter team.

Other Ski Hawks competing in this category were: Bob O’Connor and Brooke Askin

Team Jump: Crazy things off the jump as a team.

2nd Place: Paul Schwesinger, Luke Valentine and Michael Whittman. There were four Jump Teams competing, and these three were the youngest.

The team competition was on Sunday, July 26, 2015

The Ski Hawks were first on the water, out of five teams this year. The teams come from Schenectady, NY, Northfield, MA, Holland, MA and the new team to join us was from Maine.

The Ski Hawks placed first for Dock and Equipment Personnel, which means we managed our layout on the presenting take off dock better than the other teams.

A shout out to Rita O’Connor and Eric Takach!

The Ski Hawks also placed first for best Pick-up Boat Crew. They are responsible for picking up dropped skis and fallen skiers without being noticed. A shout out goes to John Lindfors and Lenny Stote for their good work.

Overall Team Placement: the Ski Hawks placed second overall, very close behind the first team. One judge noted in his score sheets he thought this was the smoothest show he has ever seen from us. Of course, the drivers were a big part of it, yes, I am a driver…

The Ski Hawks were the first team to win the Best Showmanship award. This is an award that was created this year to honor a young woman from the Oxbow Team, Northfield, MA. She lost her life at the young age of seventeen this past February. This was a true honor.

Everyone was a big part of all our success this year. Of course, we thank our fans back at Lake Mohawk!

LAKE MOHAWK POWER BOAT CLUB
Submitted by Jennifer Philips

Hope you are enjoying this glorious weather. First of all, many thanks to Melanie Van der Valk for organizing the MPC Summer Raft Up in Turtle Cove. Thanks to Susan and Dennis Knauss-MacFarlane for sharing their “facilities” to boaters for those few hours. It is always fun to share food and libations with friends out on the lake on a beautiful summer afternoon!

Taunia Markvicka and friends are busy putting the final details together for the favorite annual event, the MPC Boat Rally on September 6. This year’s theme is The Titanic, so be sure to watch out for our friendly boaters, with their boats decorated appropriately attired for the afternoon out on the lake scrambling to win the coveted trophies. It is a great event followed by dinner on the beach as we watch the sunset over our beautiful lake. At this reading the RSVP date will have passed, so be sure to look to next year’s annual event if you would like to join the festivities.

We have a very experienced group of volunteers eager to get out on the water and teach new members, or members new to boating on the lake “the ropes” by spending an afternoon familiarizing novices with the rules and regulations, boat handling, boating hazard areas, great fishing spots and do’s and don’ts of our wonderful lake. This is our small way of giving back to the wonderful community we live in, and helping ensure that we all have a safe and worry-free experience for years to come. If you are interested in taking advantage of this great opportunity, please contact New Member Chairperson, Shelley Saville at SJSaville973@gmail.com, to set up a convenient time.

Do not forget to order your MPC Logowear. I get a lot of compliments every time I wear them. Just go to www.companycasuals.com/MohawkPBC/start.jsp to place your order. Any questions, contact Eileen Hickey at EHick@embarqmail.com.

If you are interested in Joining Mohawk Powerboat Club, please contact Susan Knauss-MacFarlane at Knauss1@Gmail.com.

Cheers to Lake Mohawk! See you on the water!

For the coming events for September look on the Papoose Calendar.

The Lake Mohawk Preservation Foundation is pleased to announce that work has begun on the Rain Garden located toward the end of the Boardwalk. Installation should be completed by the end of August.

It is the result of much consideration, planning and work of volunteers. Its purpose is to capture rainwater and runoff for filtering by deep-rooted native plants. This process limits the amounts of pollutants that enter our lake and the Wallkill River which, of course, keeps our water cleaner and safer.

This garden is also meant to be a model for Clubmembers to encourage the installation of rain gardens on your own properties. It is not difficult to construct and does not need to be very large to serve its purpose. So, come to the Boardwalk and see our beautiful garden. Get some ideas for planting your own. A list of plants used at the site will be available on the LMPF Facebook page. Many of these species attract butterflies and hummingbirds and are deer resistant!

Our thanks go out again to Clubmember, Tim Clauss, who took this on as his Eagle Scout Project and also to Tracy and Drew Hoag of Danforth’s Lake Mohawk Marina, Mohawk Gardens of Sparta and Dale’s Garden Nursery of Andover for their generous contributions as well as to Dean Reinauer who donated the butterfly house at the garden.
FOR SENIORS ONLY

PICNIC:  
THURSDAY, SEPTEMBER 17  
Kiwanis picnic at the Sparta Senior Center at 5:30PM. Free to Sparta senior citizens. You must sign up at the Senior Center.

SENIOR DAY TRIPS:

Specialized Physical Therapists Who Make a Difference

Meghan Miller  
Meghan graduated from Lock Haven University with her BS in Health Science in 1995 and then went on to complete her master's degree in Physical Therapy from the University of Medicine and Dentistry in 1999. Meghan has been a practicing therapist for over 15 years in the outpatient orthopedic setting. Over the years, she has treated a wide variety of sports and orthopedic injuries, including post-surgical ACL & rotator cuff repairs, hip & knee replacements, etc. Meghan has developed a passion for manual therapies such as soft tissue manipulation. She has taken numerous continuing education courses including orthopedic massage techniques for cervical pain & Treatment of Common Extremity Dysfunction through Mobilization. Meghan has been employed at Therapeutics Unlimited (formerly known as “Sparta Fit For Life”) for the past 8 years. She also has her certification as a personal trainer and enjoys helping her clients reach all of their fitness goals. Meghan was born & raised in Sussex County and currently lives in Lafayette with her husband and two kids, Madeline and Max.
SPARTA WOMEN’S CLUB SEPTEMBER MEETING

The Sparta Women’s Club will have a general meeting including lunch on Wednesday, September 2, 2015, to be held at Lake Mohawk Country Club at 12 noon.

This month Nancy Cooper, Historian, will share her knowledge of Victorian cameos. Cameos have been valued for their beauty and craftsmanship for many years. Wear your cameo to the meeting for historic dating and description. It will be interesting to see our variety of types and origins.

The Sparta Women’s Club is actively seeking new members. SWC welcomes women from many townships in Sussex and Morris counties. The SWC has many special interest groups including Circle of Yarns, knitting and crocheting, and no experience needed, daytime and evening Book Clubs, Film Discussion, Mah Jongg, Creative Arts, Garden and Conservation and Out to Lunch Bunch. The special interest groups’ meeting days/times vary by group. For further information about membership or being a guest, please call our Membership Chair, Helene McGill at 862-268-0306.

Diplomas don’t grow on trees either.

With college tuition and fee hikes regularly outpacing inflation, it’s never too early to start saving for higher education costs. Together we can explore a variety of savings vehicles, including 529 plans, Coverdell Education Savings Accounts, and UGMA/UTMA accounts. Call today to find a strategy that’s right for your family.

On behalf of the Sparta Woman’s Club, we would like to thank the Lake Mohawk Country Club, Tamarack Beach officers, and a LMCC member for the use of the picnic and beach area at Tamarack Cove for our summer gathering at on July 22.

It was the perfect spot for us to enjoy lunch and some cool lake breezes.

Rich Carlson, Waterfront Director, was very helpful in making the arrangements. He ensured that everything was in place and ran smoothly for us that day. Lifeguard Casey Bowlby watched over our swimmers and boaters so they would have a safe and enjoyable afternoon.

While most of our Woman’s Club activities involve fundraising for the local community, this summer gathering gave us time to chat and to do some informal planning for the our new Club year which begins September 2.

Those women interested in joining the Sparta Woman’s Club are encouraged to call Membership Chairperson Helene McGill at 828-268-0306.

Sincerely, Mary Warner and Jill Bainbridge, Co-Presidents, Sparta Woman’s Club •

THE LMTC ROLLS OUT THE BARREL WITH THE 17TH ANNUAL KEG AND BRATWURST TENNIS EVENT IN SEPTEMBER

Finally you will have a chance to swagger in your best Lederhosen. We have the blues on the run during the “Keg and Bratwurst Tournament” on September 19th and 20th. This is a singles tournament for Clubmembers with a women’s and men’s draw and back draw, you continue to play after a first loss.

The gang will all be there frying up some delicious Johnsonville Brats along with having a few pops. The match start times will be posted at the Club on Friday, September 18th. The cost is $10.00 per person to play.

The “Luck of the Draw” tournament in July had an outstanding turnout that resulted in four hours of scintillating tennis for all involved. Bill Scott and Lisa Zampella zing, boomed and tararreled the dickens out of the other eight mixed doubles teams to establish themselves as the tournament champions.

The Club provided scrumptious delights to keep the participants well-nourished and singing a song of good cheer.

The Century Tournament is scheduled for October 17-18th.

E-mail whilesmithnj@gmail.com if you are interested in playing either or both events, or if you are interested in joining the Club. Notice of intent to play an event would be appreciated at least seventy-two hours in advance of the event.

Interested in obtaining quality lessons for you or your children? Contact Anne Lyons, altennis@yahoo.com/862-268-6557 or Gary Kitchell, gkitch53@gmail.com/772-321-9203 to arrange an individual or group lesson.

All 2015 upcoming events are listed at http://lakemohawktennisclub.com/ as well as pretty much everything you would want to know about the Club.
SPARTA RECREATION
“SEPTEMBER MONTHLY SPOTLIGHT”

The fall recreation brochure and Senior Citizen mini-letter is now on-line. Go to: spartanj.org, hard copies can be picked up at the Recreation Office or Town Hall.

MUSEUM MENU
SEPTEMBER 26 - ALL AGES
Choose between the Metropolitan Museum of Art and the American Museum of Natural History. The bus will leave Ungerman Field at 9:00am and drop each group off at the museum of their choice. Museum admission and lunch will be on your own. Cost: $25pp. Return back to Sparta around 5:00pm

BECOMING AN ENTREPRENEUR
SEPTEMBER 25TH
6:30-8:30PM
The purpose of this seminar will be to create perspective on the task of starting a business. Topics will include Myths and Realities of Entrepreneurship, Business Investment Options, and Business Basics. SCORE Counselors will review the different types of Corporate Structures, Cash Management and Operating Capital requirements. There is no fee, but you must pre-register.

Did you know that for more than fifty years, Lake Hopatcong was a major northeast resort? In the era before air conditioning and super highways, and with train service beginning in the 1880’s, Lake Hopatcong’s large size, beauty and location at over 900 feet above sea level made it the perfect destination for escaping the oppressive heat of the large cities to the east.

Go back in time with the Sparta Historical Society on Thursday, September 10, for a narrated program of wonderful historic images shared by Marty Kane, undisputed expert and life-long admirer and champion of Lake Hopatcong. Learn what led to Lake Hopatcong’s rise as a great resort and what has occurred in the ensuing years.

From elaborate hotels with 250 rooms to simple camp sites, New Jersey’s largest lake had it all. On a typical summer evening the choice of activities might include listening to jazz at various hotels, dancing at one of the dance halls, entertainment by big name vaudeville stars at one of the pavilions, or a visit to one of the lake’s two amusement parks.

Weekends were filled with events including boat races, water carnivals and beauty pageants – as well as recovering from the previous evening’s activities! The lake welcomed thousands each year, including leaders in government, industry and entertainment.

This event is at 7:30pm on Thursday, September 10, in the Sparta Ambulance Building at 14 Sparta Avenue, Sparta. Admission to this program is free to all members. Guests are invited to attend for a nominal charge of $1 per student, $3 per adult. For more information please contact Ed Fritsch at 973-729-0644.

For 30 years you have seen the trucks and heard the praises for Greco Landscaping here in Lake Mohawk. But did you know that we are a full-service, all-season landscape contractor specializing in all aspects of property maintenance?

Let us show you our knowhow, professionalism, expertise and courtesy. Call today to schedule your free consultation for your property’s needs.

Whether it’s paver patios, fencing, fertilization, mulch, tree and shrub care, or just plain old fashioned lawn cutting, serving you is our greatest privilege.
The Sparta Historical Society announced today that its Van Kirk Homestead Museum and History Education Center will host a special exhibition of antique mechanical and still banks from Sunday, September 13 through December 13, 2015. This is the first time that the Samuel F. Pryor collection has ever travelled.

Jack Clark, a Trustee of the Sparta Historical Society and Museum Director of the Van Kirk Homestead, explained that the society is excited to bring this exhibit to Sparta. “This is the beginning of a new era for the Sparta Historical Society and Sussex County. Several of us have been hard at work over the past year restoring the interior of the Homestead. While it dates from about the 1800’s, there were several additions over the years, so we have the luxury of having both period rooms and themed exhibits in the older sections and space for seasonally changing exhibitions in a newer section. We are already planning exhibits two years ahead in our changing gallery.”

Renee Ferguson, President of the Society, noted that “old as well as modern toys often reflect the events, cultural and political issues, and interest of the age group and society for which they were produced. This exhibit is designed to explore some of those interests and influences and how they influenced life in Sparta, as well as our nation in the late 1800’s and early 1900’s.

The Sparta Historical Society thanks the Bruce Museum for its willingness to allow this collection to come to the Van Kirk Homestead Museum and History Education Center.

The collection will be at the Van Kirks Homestead Museum and History Education Center located at 336 Main Street, Route 517, use the Sparta Middle School Driveway, opening Sunday, September 13, and will be open every other Sunday from 1 to 4pm. You may contact us at 973 726-0883 to make an appointment for a weekday gallery program.”

The future had been looking bright for Lake Mohawk, but by October 1929, the stock market had crashed, the Crane Company accounts receivable became worthless, and many buyers had not paid. By this time, more than 300 families owned homes in the reservation, about 90% of which were summer homes. As the Great Depression wore on, the banks refused to lend money to the Crane Company. Sales of summer homes fell because customers couldn’t get mortgages. But the Crane Company, not wanting to see their dream fail, continued to build summer homes with stricter buying requirements. As sales continued to decline and no recovery for the stock market was in sight, all employees of the Crane Company were forced to take salary cuts. The price of lumber had been significantly reduced, so the company was able to boost some sales by cutting the prices of the homes. Things seemed to be holding steady for the company until Picatinny lumber made the decision that no building materials for summer homes would be sold. All around Crane and Closs, businesses were closing. The future of Lake Mohawk was in jeopardy. But instead of folding, in what would be considered a crazy move, the company bought as many summer homes as they could at exceptionally low prices. Crane and Closs had actually made a deal with the General in charge of lumber at Picatinny to purchase the materials necessary to renovate the summer cottages and make them year round dwellings. A credit to the creative and shrewd business men that they were! The summer homes were renovated and they were sold for a profit. The vision of a community of summer homes was adapted to the changing and turbulent times so the community could continue to grow and eventually become the place we call home today!

Thank you to those who have expressed interest in participating in the Lake Mohawk Historic Committee. We would love to hear from you too! If you have a story or memories that you’d like to share, or if you’d like to join, please email us at lakemohawkhc@gmail.com.
